Dear [REDACTED],

STATINTL

Under cover of the referenced letter, [REDACTED] forwarded a ~~STATINTL~~ Engineering Report for the Image Quality Meter Program under Contract [REDACTED]

Please replace the title page and Figures 4-4, 4-9, 4-13, and 5-3 with the enclosed T-punched modification pages. Figures 4-4, 4-9, and 4-13 are enlarged reprints for increased legibility; Figure 5-3 is a truer representation of image contrast reduction with increasing spatial frequency.

Very truly yours,

STATINTL
